How to reach Il Gufo from San Marcello

From the main square:

- Leave the square on the main road, heading away from Pistoia direction and towards Abetone. The Baccarini bar (with a large terrace) will be on your left.
- A hundred metres further, pass the Carabinieri building on your right, and then turn off right just after the big blue H *Pronto Soccorso* sign. The road has signs for Spignana.
- Follow the road along and round the hairpin bend to the left (past the hospital on the corner).
- Go up the hill with trees on both sides.
- Turn first right, signed Gavinana and Maresca.
- After about 150m (just before several recycling bins) turn off sharp left up the slope. The street is *Via Serena*.
- Follow the road for 300 meters going straight.
- At the fork with a small grey electricity building on the left, turn left up the hill around a big old house.
- Follow the track for 400 meters staying right. Turn right at the fork with small wooden signs for il Gufo - Pian dei termini - Monticelli.
